Join us for some quick Summer Fun while we build skills in the following areas:

Tots & Intro

Great Moves

Great dance futures start here! Discover the love of dance while learning FUNdamentals in an energized and engaging format. We will infuse ballet, jazz, hip hop, acro and rhythm into these sessions for a variety learning opportunities.

Level I, II, III, IV

Leaps & Turns

Explore the methods of turning and elevating your leaps with a focus on Ballet including exercises that progress into combinations.

Advanced & Intermediate Conditioning & Technique

Designed for current and potential competitive team dancers and dancers looking to reach the next level. A variety of exercises including a concentration on turns, flexibility, strength building, partnering and improv will be offered.
