

DANCE BEAT Dublin

FRIDAY, JUNE 16TH & SATURDAY, JUNE 17TH 2023
THE VILLAGE THEATER AT CHERRY HILL

Welcome to the BIG SHOW! Dance BEAT has had an incredible season and we are excited to have this opportunity to share our work with you. This year our show takes us to DUBLIN! Home of everything green including four leaf clovers & Leprechaun's! At least the Dublin we will visit has those things;) Like with every place we visit on our "World Tour" we get to learn a few things and enjoy traditional and modern music from our destination. You'll have fun guessing which songs or their artists are of Irish descent.

Wishing you the "Luck of the Irish" as we walk Grafton Street and explore this beautiful city & countryside of Ireland. We invite you now to sit back, relax and enjoy the show!

Light Up, Light Up (as if you have a choice) are lyrics from one of my favorite songs “Run” by Irish band “Snow Patrol” A band my husband has taken me to see multiple times as it is one of his favorites too. I often say those words to myself when I feel stressed by life, work, and anything else that gets thrown at me daily. It is important to have mantras and passions, things that center you. Dance has always been one of those things for me. I learned a long time ago and have shared with many of my students that they say you should find your balance after first waking up. Stand beside your bed and check your balance. Find your center and you will have a better day. It’s not just a dance thing. It works for anyone. The greatest gift I can give to my students is a love for dance and the arts. Something to lean on throughout their lives. I know firsthand the joy it will bring, the confidence, the friendships, feelings of accomplishment, and so much more. I know people miss it when it’s gone. It’s not a coincidence that nearly all my teachers have been with me for 20 years or more. They love dance. You can tell by the hours they put in outside of what they are paid. You see it in how they relate to the dancers and share what they know. The pride they take in their students and the work they produce for the stage. I am grateful for them and how they help me to continue to grow.

We have the best, most talented, creative, and fun people here at Dance BEAT both teaching and dancing. You’ll witness it in the work presented tonight. We have so much to share with the world and this is just the beginning.

What an incredible journey,
Thank you for being part of it,

Debby Ash
